

Sno Job '73 comes to Westlane

with sports events, dances, drama

Before spring makes another sneak preview of itself, and while winter is on everyone's mind, the time is ripe to herald the onrush of Westlane's winter carnival, Sno Job '73.

The incredible success of our two previous annual winter carnivals made a third a must. The Student Council has attempted to repeat the good things, and bring in some new ideas as well.

The preliminaries to the Sno Job

are interesting themselves. First, Westlane hosted the Zone III Novice Wrestling Tournament. We have hosted this meet in the past two years, and, what's more, won it both times. This was held at the school today, Feb. 3. It was organized by the Gamma Phi chapter of Gamma Sigma Fraternity.

The Westlane Midget 'Boys' International Basketball Tournament will take place Feb. 9 and Feb. 10. Our midget team sports a nearly perfect record, so don't be too surprised if we do well at our own first tourney.

The week gets going Feb. 12 with the Film Festival. Feature presentations will be The Andromeda Strain and the Beatles' Let It Be, along with a few others.

February 14, The Drama Club will present The Marriage Proposal and three other one-acts on Drama Night, Part II, 1973.

Do you know what a Greaser Is? You'd better find out before Feb. 15, Greaser Day at Westlane. Everyone will be told to "Grease-It" during the school day, and those who do will pay less to get into the "Greaser Dance" featuring The Grease Caprice Thursday night. "There was a question as to whether or not guys and gals would be too "chicken" to Grease it, but it seems that the ones who don't will be in the minority.

Edward Bear. Winter Olympics. These are the hits on the Big Day Feb. 16. The Winter Olympics will be designed with an eye to the weather — no snow necessary (although we sure would appreciate it!). Edward Bear is the group that has the Last Song on the Hit Parade nowadays, and they will be at Westlane. \$1.75, the steepest price all week, is what this fantastic concert will set you back — but don't miss it.

Enough about that for this week.

As most of you know, Westlane has a new principal in 1973. He is Mr. Shaw, and I'd like to quote one thing he said Monday to the Middle Council, because it tells a lot about his attitude toward Westlane: "I am prepared to give the students as much responsibility as they are prepared to take." The key point, people, is this: How much are we prepared to take? Think about that, because it may become an extremely important question in the coming months.

The Word of the Week is Cheerlea-
